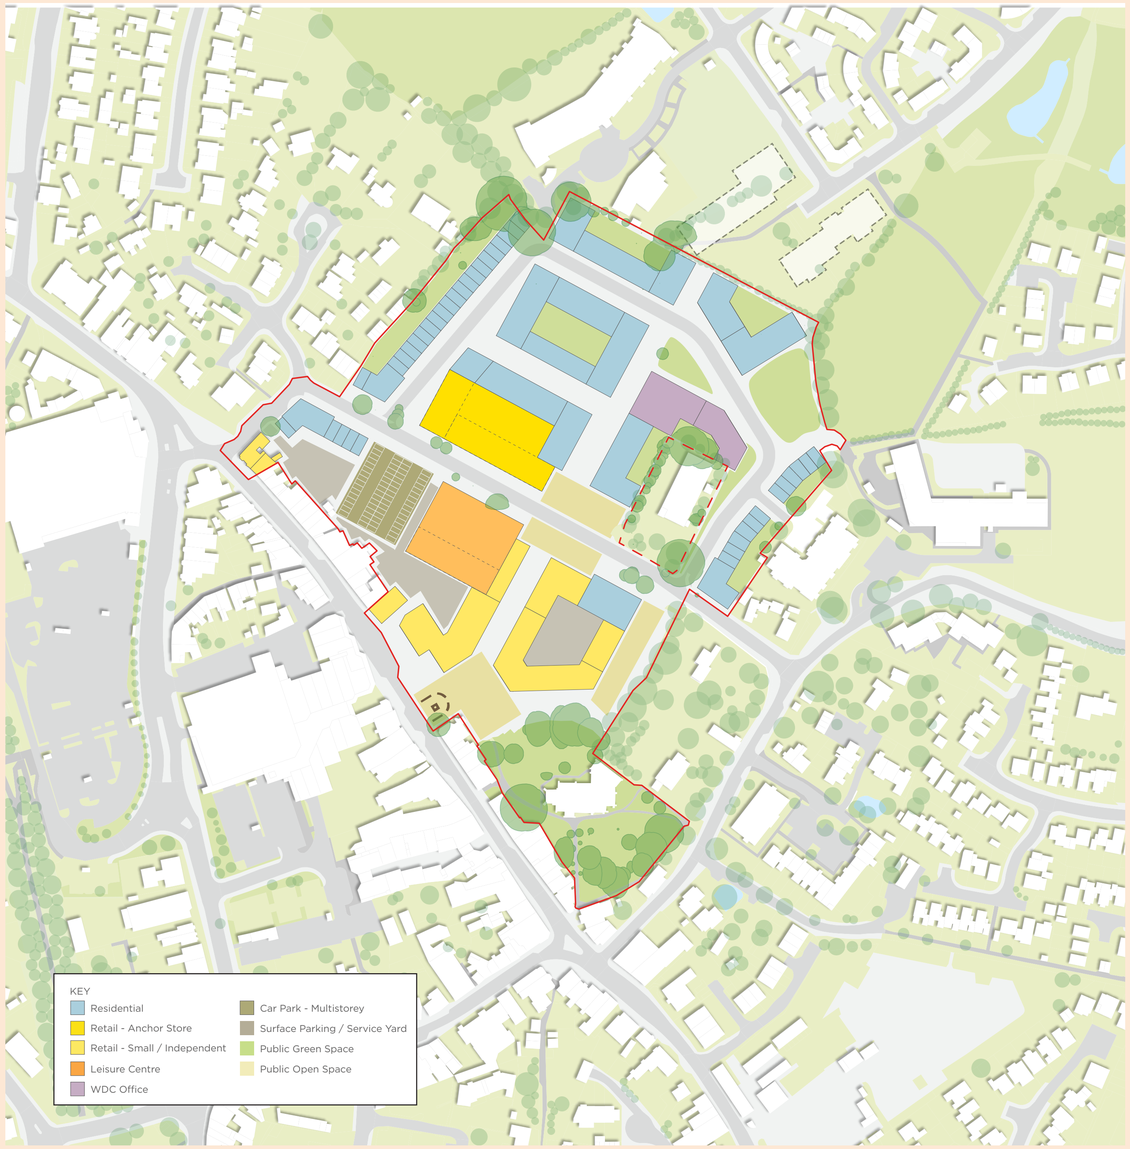
MASTERPLAN 02

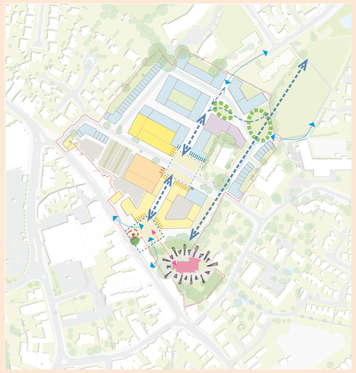


Site layout of masterplan 02

What are the main features of masterplan 02?

- Public green space to the north east, with views of the wider countryside
- New car park located close to facilities, e.g. 'Anchor Store' and Leisure Facility
- Large public space around war memorial and St Mary's Church
- Wealden District Council offices to the rear of the site

In terms of the arrangement of buildings and public spaces within the masterplan, please have a think about what you like, what you like less, what would you prefer to see.



Views within the town centre and beyond
