

# FEEDBACK AND NEXT STEPS

Thank you for taking the time to go through the information needed to complete the Hailsham Aspires masterplan public consultation.

Please now take the opportunity to leave your feedback on each of the masterplan options; what do you like, what do you like less, what would you prefer?

We would welcome your thoughts by 14th March 2021, and you can leave your feedback by:

-  Visiting [www.hailshamaspires.co.uk/have-your-say](http://www.hailshamaspires.co.uk/have-your-say)
-  Calling 0800 368 7592 (Freephone)
-  Emailing [hailshamaspires@wealden.gov.uk](mailto:hailshamaspires@wealden.gov.uk)

## Next steps

Once the consultation period has closed, all feedback received will be analysed and used to progress with a final masterplan option, based on the preferences given. This masterplan will then be used by the Council to secure a development partner that they will work with to deliver the future development.
