

# INTRODUCTION – HAILSHAM ASPIRES

Hailsham Aspires was created by Wealden District Council and is bringing forward proposals to enhance and regenerate Hailsham Town Centre. This is a once in a lifetime opportunity to build sensitively and thoughtfully for the future of Hailsham, and to address the challenges currently faced by the town centre.

As part of this process, after many months of collating information from local people, businesses, stakeholders, and Council officers, the Hailsham Aspires project team has put together 3 separate masterplan options to revitalise the town, and we would like to hear your thoughts on these.

Please read through these information boards to understand the background behind the 3 masterplan options, as well as the benefits for local people and ideas for design. Once you've done this, please complete the survey available at <https://hailshamaspires.co.uk/have-your-say/> to let us know which option you prefer and the reasons for this.

The Hailsham Aspires project team includes:
